Subject: New EMS Ebola algorithm

Hello EMS Stakeholders:

Remember to [Contact Public Health](#) for Ebola related questions or responses!

New Resource: Arizona Department of Health Services (ADHS) Bureau of EMS and Trauma System would like to notify you of a new CDC resource that may assist your Ebola preparedness activities. "*Identify, Isolate, Inform: Emergency Medical Services (EMS) Systems and 9-1-1 Public Safety Answering Points (PSAPs) for Management of Patients Who Present with Possible Ebola Virus Disease (Ebola) in the United States*" is available for download at the following address: <http://www.cdc.gov/vhf/ebola/pdf/ems-911-patients-with-possible-ebola.pdf>

Existing Resources: As you know, ADHS has developed an Ebola website (azhealth.gov/ebola) where you can find this and many other resources available including [EMS & First Responder](#) and [PSAPs & 9-1-1 Center](#) specific toolkits. These toolkits contain:

- Cover letters
- Planning templates
- Simple screening flow charts
- Ebola Screening Criteria form
- Personal Protective Equipment (PPE) guidance
- And many other resources

Sincerely,

Terry Mullins
Arizona Department of Health Services
Bureau of EMS and Trauma System
